**Smoked Holiday Turkey with Hardwood Cutting Board**

Don't compare these with a "supermarket" turkey. These very tender birds are fully cooked – slowly over hardwood embers for a full 24 hours to retain their natural juices. Our smoked turkey is a rare treat, a memorable experience for the few who are lucky enough to receive one. Each 7-9 pound turkey serves 6-8 people and comes with a black walnut and maple cutting board fire-branded with your imprint. (Also available without cutting board; prices available on request.)

**Honey Glazed Spiral-Sliced Boneless Ham**

Specially created for today's smaller families, and one of our most popular hams, you can taste the rich applewood flavor in every lean slice of this superb three to four pound ham. It's accented by a hand-applied honey glaze that gives it a mild, sweet flavor. Fully cooked, ready-to-eat, and cut into neat, even slices. Low in salt and completely boneless... it's spiral-sliced the way ham should be! Your guests will be impressed and they'll never guess how little time you spent preparing it. And if you end up with leftovers... don't worry. Your future holds some of the best ham sandwiches you've ever tasted. Serve at room temperature or gently warm in your oven. The hardwood cutting board, fire-branded with your logo, will be a yearlong reminder of this delicious gift. (Also available without cutting board. Prices available upon request.)
